EVANGELISM

**Aleta Wonda (Ethiopia)
December 2015**

Dear friends,

Our November evangelistic outreach in **Aleta Wonda** was literally a washout for the first three days. It rained so heavily that the meeting on the first day was completely cancelled and we also had to cut things short on the following two days.

But on Saturday and Sunday we had excellent weather and many people came to hear God's word and receive the Holy Spirit. On these two days the rain of the Holy Spirit fell, like in Acts. It often seems to us as if we are lighting a fire in the Spirit, just like God set the bush in the desert on fire which did not burn up.

When Elijah prayed, the fire fell and it is still falling today, but whereas then it fell on dead sacrificial meat, today it falls on living flesh.

"In the last days, I will pour out my Spirit on all people," God says. In Jeremiah 23:29 he says: "Is not my word like fire,' declares the Lord, 'and like a hammer that breaks a rock in pieces?"

On **December 12** we have a **prayer breakfast** in Frankfurt am Main and about 100 people have signed up so far. Suzette Hattingh and Jens Garnfeldt will be ministering to us. They both have "fire in their belly" and we believe that the flames of God will be fanned anew in everyone who attends.

From **May 5 to 7, 2016** we are planning an evangelistic outreach with **Suzette Hattingh** and **Jens Garnfeldt** in Frankfurt.

From **December 16 to 20** we have our last outreach for 2015.

I would like to thank everyone who has helped us this year. Without your faithful support, none of this would have been possible. Thank you very, very much and may God repay you for it many times over, whether in the form of health, wisdom, work, money, peace, joy ...

For 2016 one evangelistic outreach a month (€11,000 per outreach) is planned again. In addition, we intend to run a seminar for 120 Orthodox priests. We have agreed to this in faith. The costs for the three-day seminar total €12,000 (€100 per priest).

For our sound system in Ethiopia we need another two speakers and an amplifier (costs: €7,000). To achieve all this we need more gospel partners supporting us regularly. Perhaps God is putting it on your heart to fund an evangelistic outreach or finance a priest or a loudspeaker.

We thank God for everything he has done this year and are looking forward to all the good things that he has in store for us in 2016.

We would like to wish each one of you a blessed Advent and a happy Christmas.

She had been almost blind for a year. Now she can see again.

This boy had suffered from diabetes for five years. Jesus healed him.

Healed of diabetes and malaria.

She had suffered from back pain for years. She could not bend down and walking was painful. She had been to many doctors. Now Jesus has healed her.

She had a growth on her hand and was short-sighted. The growth has gone and she can see well again.

As a carpenter, he had fallen from the roof and broken his back. Since then he had suffered pain and could no longer work. All the pain left him and now he can bend down again.

She was suffering from depression and sleep disturbances. Now it has all gone and she can sleep well again.

For the last 13 years she could see only very little. Now she can see well again.

For four years she had suffered from heart, stomach and lung trouble. She could not swallow properly and bent over with pain when she walked. Here she is testifying to her healing.

For many years she had had pain all over her body. Jesus released her from her pain.

Her eyes had been so bad for the past year that she could not read anything. Now she can see clearly again.

She had been blind in her right eye for two years and the other eye was also going blind. Now she can see well again.

God is looking for people who pray

Excerpt from the book *Gott sucht Beter*
by Gordon Lindsay

This is your time. A prophetic word.

The Lord said: “This is your time.” And this hour really does provide an opportunity that will not be repeated. The Lord also showed us that Satan would begin to fight against people like never before if they started earnestly praying and therefore destroying his kingdom. But persistent prayer will certainly defeat the devil, just like Elijah’s prayers defeated him. And just as the world was changed as a result back then, the prayers of men and women can still change the world today!

“But now you need to know that this is your hour, your hour to pray and not to waver. You should begin right now in this hour and not put it off.”

“From this day on, Satan will set up new strongholds against you. But when you go into the prayer room, you are entering a place in which you pray against the works of Satan. He has good organization. He has a lot of power, and he can come against those who stand in my will. But I tell you that you need to do one thing: And that is to command his power to stop. You have the authority of believers to break his chains – anytime and anywhere, irrespective of the number of underlings he has, irrespective of the armies that are with him.”

“You are to pray like Elijah, yes, as a righteous man. And the earnest prayers of a righteous man can accomplish much. You are to be like Elijah, and you are to be like Elisha, such that you pray and a twofold measure of the power of God comes on you. And this praying will not stop with you. It will be continued, yes, it will spread like waves spread over the water. You are to recognize that I am the Lord. Jesus is still standing on the banks of the Red Sea and the Jordan; he is still walking on the Sea of Galilee, so that you may realize that he is the same yesterday, today and forever.”
