WORLD-WIDE  
EVANGELISM

**Gelan (Ethiopia)  
July 2017**

Dear friends,

From **21 to 25 June** we were in **Gelan**, where almost 100% of the population belongs to the Orthodox Church.

Several local churches had been inviting us for a long time to conduct the first public evangelistic outreach there. On top of the fact that we had the Orthodox Church against us, removing our posters, the weather was also not on our side. The rainy season has now begun. On Saturday and Sunday there were severe thunderstorms with heavy rain, meaning our meetings on those two days were literally a washout and had to be cancelled.

This outreach was among the smallest we have done in the past few years in Ethiopia. A total of about 50 people responded to the altar call and gave their lives to Jesus.

The healings we experienced were mostly deliverance from evil spirits. Demons manifested and came out of people. Wherever the Orthodox Church dominates, there is also a lot of witchcraft and people suffer from diseases or mental problems that are often caused by demons.

Jesus stated the first sign that would follow believers: "In my name they will cast out demons." (Mark 16:7)

"So he [Jesus] travelled throughout Galilee, preaching in their synagogues and casting out demons." (Mark 1:39)

"He went around doing good and healing all who were oppressed by the devil." (Acts 10:38)

The devil is the oppressor and Jesus is the deliverer. We experienced that in Gelan.

Our next outreach will not be until the end of August when the rainy season is over. Before then, our truck still needs several repairs. Our next faith project is a larger truck and our own stage.

We wish you a blessed and restful summertime!

Best regards,

For three years she had suffered from severe depression, was often in hospital and was given sedatives. She was set free from evil spirits that had been tormenting her.

For the last two years she had not been to school and was also unable to do any work because she was so depressive. An evil spirit had been constantly oppressing her. She was set free.

She had suffered from depression for many years and was healed.

This woman had suffered from severe backache for many years and could not bend down. Jesus healed her and she is demonstrating her healing.
