

**WWE**  
WORLD-WIDE  
EVANGELISM

**Wolencheti (Ethiopia)  
October 2017**

Dear friends,

From **20 to 24 September** we had another fantastic evangelistic outreach in **Wolencheti** in the grounds of the Mekane Yesu Church. Seven churches had invited us and it was their first joint public evangelistic outreach. With each day, more and more people came. About 110 people made a decision for Jesus for the first time. The place is almost 100% Orthodox and there is a lot of witchcraft there. Demons manifested in almost every meeting and many people were set free from evil spirits.

One man testified that he had been sleeping in the cemetery by the graves for 14 years. Demons came out of him and he was set free and gave his testimony.

One girl had had to leave school because she was plagued by demons and had lost her mind. The girl was set free from the evil spirits that had tormented her.

Others were healed of unidentifiable pains and conditions caused by spirits of disease.

One mother brought her half-blind child onto the stage to testify that the child could perceive some light with her right eye (which was completely blind). We tested the girl, but she could hardly make out anything with her right eye. After we had prayed for her two more times, she could suddenly see clearly.

On Sunday the Holy Spirit fell on many people. It was like an explosion. Many experienced the power of the Holy Spirit and made loud proclamations in new languages, like at Pentecost.

The leaders of the Ethiopian Evangelical Alliance from **Adama** (Ethiopia's fifth largest city) came to attend the meetings on Saturday and Sunday. Afterwards they were literally begging us to come to Adama. "We need the Holy Spirit," they said. "We have neglected the Holy Spirit in our churches. We have never seen anything like this. Please come!" We hesitated at first because the costs in large cities are much higher than in the vil-lages we usually go to. But they did not let up until we finally agreed. Now we have an outreach from 18 to 22 October and then, nine days later, from 1 to 5 November, the **outreach in Adama**. We accepted the invitation in faith and are trusting God for the additional funds. More than 50 churches want to join forces and help.

Please help us in whatever way you are able. We have many invitations but we also urgently need a new truck and a stage. God has always provided for us and he will continue to do so. He will also bless and multiply what you sow.

Warm regards and God's blessing,  
*Ekkehard Hornburg*

# Tongues: The Door into the Supernatural

by Kenneth E. Hagin

Speaking in tongues is the door into all the other spiritual gifts. Some people like to jump in and get all the gifts of the Spirit at once. But you have to go through the door to get into the supernatural.

I have found in my own life that the more I speak in tongues – the more I pray and worship God in tongues – the more the other gifts of the Spirit manifest. The less I speak in tongues, the less manifestation of the other gifts of the Spirit I have operating in my life.

The bible teaches us to desire spiritual gifts (1.Cor. 14:1) and to earnestly covet the best gifts (1.Cor. 12:31). As we do this, we will walk in more power and be more effective in our Christian lives. We will go through the door of the baptism in the Holy Spirit to receive the glorious spiritual gifts that God promised to those who believe His Word.

I am convinced that if we would be sensitive and responsive to the Holy Spirit, He knows what is coming in the future. And He will show us things to come (John 16:13).

An English missionary to Africa was home on leave speaking at a missionary conference when a woman asked him if he kept a diary. He replied that he did. She began to relate to him, “Two years ago I was awakened in the night with a burden to pray. I got out of bed and was talking in tongues before I got down on my knees. For an hour I prayed in tongues. It seemed as if I were wrestling. When I

finished praying I had a vision. I saw you in a grass hut surrounded by natives. You were sick and then died. I saw the natives pull a sheet over your head and walk sadly out of the hut. Suddenly you came out of the hut and stood in their midst. All of the natives began to rejoice.”

The missionary asked the woman if she kept a diary and requested she bring it that afternoon. Comparing diaries, and making allowances for time differences in England and Africa, they discovered the time of the woman’s prayer burden exactly coincided with the time when the missionary was sick with a deadly fever. His partner was away, and he was alone with the natives. Things happened just as she saw – the missionary died, the natives saw him die and pulled a sheet over his head – then he rose up suddenly well! Because of the Spirit of God!

This is an example of how praying in tongues equips us for what lies ahead in life if we will yield to Him. It is one way to be built up spiritually and to be ready for whatever may come in the future.

Are you, as a Spirit-filled believer, taking full advantage of the gift of tongues? God has given to us a supernatural means of communication with Him. He has given to us a supernatural way of building ourselves up spiritually. Take full advantage of this gift of the Spirit – speaking in tongues – that God has made available to each one of His children.
