EVANGELISM

**Yubobine (Ethiopia)

February 2018**

See, I am doing a new thing! Now it springs up; do you not perceive it?

Isaiah 43:19

Dear friends,

from **13 to 17 December 2017** we were in **Yubobine**, a small town that no one ever really goes to. Four churches had been asking us to come for some time and the meetings were held on the grounds of the Full Gospel Church. This was the first public evangelistic outreach in Yubobine.

An elderly man, who had been the first to bring the gospel to this area, told us he was 105 years old. He attended every meeting.

In many places the churches have become rather traditional and there is no teaching on the Holy Spirit or baptism in the Spirit. It was the same in Yubobine. Many renewed their decision to follow Jesus and there was a great hunger for baptism in the Holy Spirit. Many young people received the baptism, and the Holy Spirit came on them like at Pentecost. The stage was full of young people under the power of the Holy Spirit. We also experienced a number of wonderful healings again. It is always a delight to see how the Holy Spirit confirms the preached word.

In Acts 1:1f we can read: "... *all that Jesus began to do and to teach ... through the Holy Spirit ...*" Everything we do ourselves, without the Holy Spirit, is meaningless. What ultimately counts is what we do through the Holy Spirit. There is nothing better than experiencing how the Holy Spirit works through you and confirms the preached word with signs and wonders. The Book of Acts tells us what the apostles did through the Holy Spirit.

Wonsoho

Our first outreach in 2018 took us to the far south of Ethiopia again, to **Wonsoho**. No one had come to Wonsoho before, either, and it was the first public evangelistic outreach there, too, run by five churches.

The people were very warm, friendly and hungry for the word of God. It is easier to preach when you feel a hunger like that among the listeners and it seems that people can hardly get enough. We had wonderful gatherings and each event was unique in its own way. The Holy Spirit worked in every meeting and confirmed the preached word. Many people made a decision for Jesus and experienced wonderful healings.

The climax of each evangelistic campaign seems to be the day when there is the message on the baptism in the Holy Spirit. The number of attendees is always greatest then as everywhere we find considerable hunger for the Holy Spirit, his power and his gifts. It seems it is the Holy Spirit and his gifts that the children of God are least informed about, which is why there is such a hunger. Here, too, the fire of the Holy Spirit came down on many people and they started praying in new tongues, just as we read in Acts 2:3. It was the pastors' first evangelistic outreach. They were excited and amazed at all that was happening through the Holy Spirit.

Nigeria

From Ethiopia I flew to Nigeria, where I met Bishop Waleoke from **Ibadan**. Together we want to conduct evangelistic campaigns (mass soul-winning crusades) in Nigeria, as well, and the first campaign is to take place in August. He said we would need a public address system that could reach up to 100,000 people. Our goal by August 2018 is to obtain a truck, a public address system and a generator for Nigeria. We will then work in both Ethiopia and Nigeria simultaneously. I don't know how we will manage it all financially, but as I have learned from Reinhard Bonnke, you should not plan with what is in your own pocket but with what is in God's pocket, which is always full. And if God orders something, he also pays for it. We believe that this is from God and he will help us.

This seems to be a new season. The whole world is in a time of upheaval and is rapidly changing. Everything is accelerating and God is also accelerating his work. Those who invest in the things of God are investing in eternity and storing up treasures in heaven. What else is worth living for?

"Oh, that you would bless me and enlarge my territory! Let your hand be with me, and keep me from harm so that I will be free from pain." And God granted his request.

1 Chronicles 4:10

God will bless you this year, enlarge your territory and keep you from all harm!

Wishing you every blessing,

Angels in our midst

by Kenneth Hagin

In teaching about angels, the Lord pointed out the scripture, *„Are they not all ministering spirits, sent forth to minister for them who shall be heirs of salvation?“* (Hebrew 1:14).

Angels are ministering spirits who are sent to minister not just to one, but for all who are heirs of salvation. Someone might ask, „Why haven't they done anything?“ Because they are waiting for you to give them the order, just as a waitress cannot do anything for you until you give her the order!

In August of 1963, the Lord appeared to me and began talking to me about my ministry. An angel stood about three feet behind Him. Every time I looked at the angel he looked back at me as if he were about to say something. But then I would look back to Jesus and the angel wouldn't say anything. Finally I said to the Lord, „Who is this angel and what does he represent?“

„That's your angel,“ He replied. „My angel!“ „Yes, don't you know, it is written in My Word where I said to My disciples, Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven“ (Matthew 19:14).

Then in another place I said, „For their angels do always behold the face of my Father which is in heaven“ (Matthew 18:10). You don't lose your angel just because you grow up,“ Jesus said.

Think about it. Why would we lose our angel just because we grow up?

„But Lord,“ I said, „You are here. Why can't You deliver the message?“

I wanted to be scriptural. We receive guidance from the Holy Spirit and the Word of God. I wasn't sure about an angel giving me a message. Jesus reminded me of when the angel of the Lord awakened Peter when he was in jail, and in answer to prayer, led him out of jail. And the times when the angel of the Lord appeared to others like Philip and Paul to give them direction and a message from God.

I repented of my ignorance. I thought I was being a stickler for the Word. I think many times dear people have been defeated by thinking they were sticklers for the Word, when they were really just being sticklers for what they thought the Word said. The Word may have more to say on some subjects than they realized.

If we are not careful, we can get so conscious of obeying the letter of the Word that we miss the Spirit of the Word and shut the door on God and on the move of the Holy Spirit. From that day, I learned to order my ministering Spirits to go and minister for me – an heir of salvation – and cause finances or whatever I needed to come, in Jesus Name.

Believers aren't to pray and seek for angels to appear to them; The devil might accommodate them. The bible says, *„For Satan himself is transformed into an angel of light“* (2. Corinthians 11:14). Just stay faithful to God. If He sees fit, a believer may have a divinely granted appearance. If He doesn't, that's fine too. God is the One Who grants these things as He wills.
