EVANGELISM

Dear friends!

From 28 March to 1 April we had our third evangelistic outreach in Ethiopia this year. We were in a place called Teferi Kela. The Holy Spirit was at work in all the meetings. Many people were saved, healed and filled with the power of the Holy Spirit.

There was great joy and excitement over God's word. Many people experienced healing and we heard some astounding healing testimonies.

In the last meeting, the Holy Spirit "landed" on many thirsty people. Many were filled with the power of the Holy Spirit and spoke in new tongues. It was as if a wave of power came upon people, and many fell to the ground.

God is still pouring out his Holy Spirit on those who are thirsty. Jesus said: *"Let anyone who is thirsty come to me and drink."* All over Ethiopia we are seeing a great thirst for the power of the Holy Spirit!

Politically speaking, the tide in Ethiopia has turned for the better. The new prime minister, a former Muslim, is a born-again Christian and baptized with the Holy Spirit. A number of ministers in his cabinet are born-again Christians. This peaceful change in Ethiopia is an answer to the prayers of many Christians. This time I met a politician in Addis Ababa who holds the third highest office in the country.

He, too, is a born-again, Spirit-filled Christian and I was surprised that he took the time to chat with me. On the same day, in the evening, I met a well-known Ethiopian pastor, who is a man of prayer and whom signs and wonders follow. When I arrived there, the same politician was present whom I had met at lunchtime. He told me that he meets with his pastor twice every week for prayer. We had a powerful prayer time in the Holy Spirit and the presence of God was tangibly present.

A new day has dawned for Ethiopia. God is doing new things and is using the body of Christ and the prayers of believers.

On 16 April I am flying to Ethiopia for the next outreach. Thank you for your prayers and financial support. Without the help of the Holy Spirit and without your help, we could do nothing.

You have a share in all the fruit that results from these outreaches. It is always worth setting off and seeing how the Holy Spirit confirms the word of God and people come out of darkness into the light.

Best wishes and God's rich blessing!

FAITH IN GOD'S WORD

BY NORVEL HAYES

Faith in God's Word is the No. 1 way to fight the devil. If I can talk you into having faith in God's Word, you can have victory. It doesn't make any difference what anyone else believes, what your background is or where you're from. If you'll just make a decision to stand on the scriptures for yourself, God will come to your house. He'll come to your body. He'll come to your mind. He'll come to anything you have and He will make it successful, if you will only get your mouth straightened out!

God's Word will work for every person who has faith in it!

Many people think God will come on their scene just because they are born again. Although He's always on the scene, the truth is, He only responds to faith in His Word coming out from your mouth. You've got to KNOW what God has said in His Word about the area of your life where you need victory. What's more, you've got to SPEAK what His Word says about it.

Jesus said in Matthew 12:34, "...out of the abundance of the heart the mouth speaketh." Jesus went on to say in verse 37, "By thy words thou shalt be justified, and by thy words thou shalt be condemned." By your words!

Victory Scriptures

Your victory comes directly from the Word of God that you have in abundance in your heart and the Word you speak out your mouth! So the key is to get the Word into your heart. You may say, "Brother Norvel, how about telling me what the victory scriptures are for my situation." There could be hundred scriptures that would apply to your circumstance. Don't be lazy - look them up yourself! You see, the only scriptures that will work for you are the ones you "get".

You can ask the Holy Spirit to help you find the right scriptures. But you won't get them just by reading the bible every once in a while. Your victory scriptures must be in your heart abundantly. They must become a part of you. So look them up. Type them out. Then start speaking them until they become like your right arm and then like your left arm. Just like you use your arms every day to get things done, you'll use the Word of God that's part of you to accomplish things in your life. The Word of God you speak about healing will work healing in your life day in and day out. His Word you speak about prosperity will work prosperity into your life every day.

Fighting the devil

When I first started preaching God said: "Son. I want you to teach the Church how to fight the devil."

Faith in God's Word and speaking the Word is the No. 1 way to fight the devil. As you speak the Word right into the ear of God, you are also speaking it right in the face of the devil. When you do that, God will come on the scene and run the devil off!

Think about it. Isn't that exactly what Jesus did? After Jesus had been in the wilderness for 40 days, the devil came around to try to convince Him that He could bring God's plan to pass in His life through His own effort. Jesus knew exactly how to get the devil to shut up and clear out. Matthew 4:1-11 tells how He did it. Jesus countered every attack of the enemy with the Word of God. "It is written," He said.

Three times Jesus responded to the temptations and mocking of the devil with the Word. He knew the Word - it was part of Him - and He had faith in it to bring victory over the devil. God wants you to know you can do the same thing Jesus did! Get the Word into your spirit. Make it part of you. Speak it out. Use it every day, like you use your arms. By faith, do it! And you'll have victory - total victory!
