In the month of August we were in Ethiopia for two evangelistic campaigns. The first was in Moyale, on the border with Kenya. 95% of the population in Moyale are Muslims. On the third day, they threatened us with violence and demanded that we end the campaign. The mayor, a Muslim himself, advised us to leave the field. He sent soldiers to protect us, otherwise we would have been attacked by a mob of youths and would have lost our truck and the equipment. The preached gospel confronts the darkness and Satan feels provoked. He does not want to relinquish his territory and people's souls. Consequently, the meetings at the weekend were cancelled and we preached in a small church that had just enough space for 200-300 people.

From Moyale we travelled 200 km to the next town, Yabelo, where we had good meetings. The people were very open to the preached word and gladly received it. We saw many giving their lives to Jesus, many being healed and many receiving the Holy Spirit. The pastors were full of joy and gratitude that we had come. They asked us to come again soon.

Next week, from 11 to 15 September, we have our next evangelistic outreach in Ethiopia.

Please pray for us and help us financially if the Holy Spirit puts it on your heart.

The primary aim of our preaching is for people to be saved, healed and receive the Holy Spirit. I have written a little follow-up book that covers these topics.

1. **The New birth** and how to obtain it.
2. **The baptism in the Holy Spirit** and how to obtain it.
3. **Healing is yours and how to receive it.**
4. **Your new identity in Christ.**

The book is in A5 format and 40 pages long. By reading a lesson of this kind myself, I received the Holy Spirit many years ago in my bedroom. No one prayed for me. I believe that through this book, people will be born again, receive the Holy Spirit, be healed and discover what they got when they received Jesus.

The book can be ordered from us for a donation. One book costs €2. It is for young Christians but also for those who are already believers as it explains the gospel in a very clear and simple way and is ideal for giving it away to others. We will be having the book printed in Ethiopia as follow-up material and will be distributing thousands of copies. Even when we are no longer there, this little book will continue to preach and evangelize.

I send you my warmest regards and I thank all of you who pray for us and continue to support us. The harvest of this world is ripe and the Lord of the Harvest is looking for workers who will go. Not everyone can go, but everyone can pray and give.

I wish you God's rich blessings!
