

Dear Friends!

from Sept. 29 - Oct. 3 we had another gospel campaign in the far southern region of Ethiopia. We were the first to hold a crusade in that village. We had wonderful gospel meetings and the leaders asked us to come again. For the first time we had our new land cruiser in use. It was very much needed because we had to drive 30 km on bad roads every day, to reach the village.

Our old truck made problems again and needs more repair. The new Isuzu Truck has been imported and should have been in use already but it is delayed again and again and we hope we have the truck for the next 2 crusades.

From October 27 - to November 7 we are having our next two campaigns in Ethiopia. From December 1-5 we are having our first gospel crusade in Nigeria with our own equipment and our last crusade this year will be in Ethiopia again, a week later. That means we conducted altogether 15 crusades this year (14 in Ethiopia, 1 in Nigeria). In addition we purchased a new truck and a new land cruiser which cost us additionally 250.000 \$, mostly due to the high import taxes. This was all extra cost to our

crusade budget. It was a huge miracle that we were able to do this and we want to thank everyone who contributed to it.

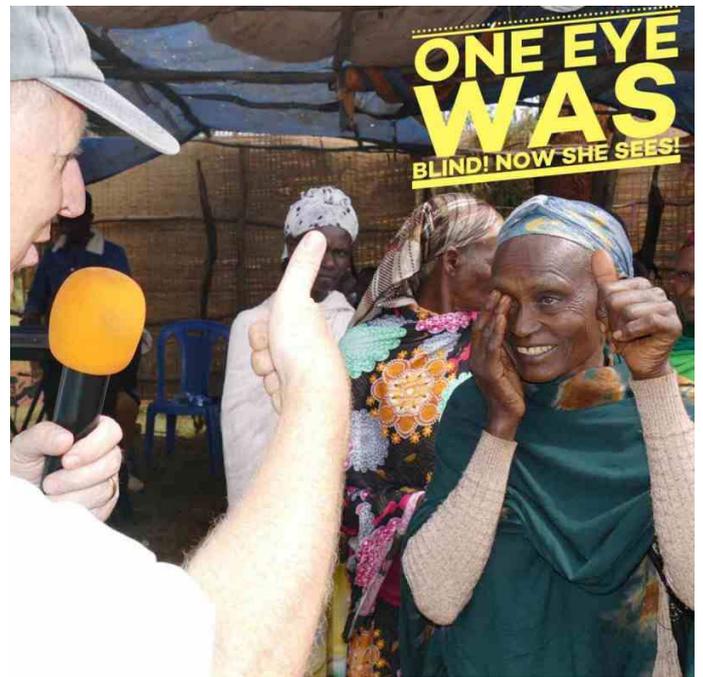

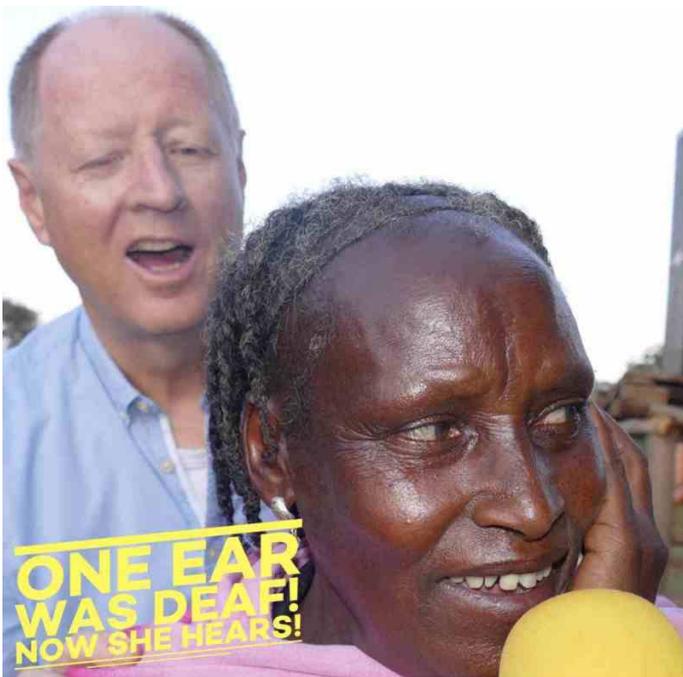

What God orders He pays for, I heard Reinhard Bonnke often say. We definitely experienced this supernatural provision this year. We are so very much grateful for seeing people saved, healed and filled with His Spirit. We are working together with God and He is working with us. There is nothing more fulfilling on earth than to be an instrument in the hands of God. Everyone who is supporting this work has a part in it. We are all on the same team and pulling together.

Jesus is coming very soon and the devil is trying everything in his power to prevent His coming. But Jesus is the mighty victor and He will bring us home safely when the time comes. Until then we want to occupy and plunder hell and populate heaven.

Lots of blessings!
