

MISSION REPORT

ETHIOPIA
JULY, 2022

Dear friends,

In the month of June we had another two evangelistic campaigns in Ethiopia. That means we have had eight campaigns so far this year and another six are planned for the rest of the year. For November we also have an invitation to Nigeria to hold an evangelistic campaign there. That campaign alone, however, is going to cost us \$50,000 and we need a financial miracle to be able to conduct it. We have so many invitations in Ethiopia that we would need two years to work through them all.

In June we were in a Muslim village first of all and it was the first evangelistic campaign for those churches. The pastors were very grateful that we had come. Never before had an evangelist from overseas come to this place. The Holy Spirit worked and we saw some wonderful healings. A boy who had been completely deaf for eight years was able to hear again after the prayer. A former soldier had had a bullet in his leg for 25 years. The doctors had advised him not to have it removed. He received prayer and the next day the bullet came out of his leg and he gave his testimony.

The second evangelistic campaign was on a sports ground and we had fantastic meetings. It was a gospel festival and the people were very excited. They accompanied every sermon with loud cries of hallelujah or amen. There was great joy and on the last day many received the Holy Spirit. In the book of Acts it says that Philip proclaimed the word of God in Samaria. The people believed and were baptized. When the disciples heard that Samaria had accepted the word of God, they send John and Peter so that they could lay hands on them for them to receive the Holy Spirit. That is just how we experienced it, too. Many received the Holy Spirit when we laid hands on them. Jesus is God's gift to sinners. The Holy Spirit is God's gift to his children. Baptism in the Holy Spirit is a "must" for all believers, not just a recommendation. Jesus commanded the disciples to wait for the Holy Spirit before he sent them out. The same still applies today.

In July we are cancelling our evangelistic campaign so that we can have a financial breather. All the prices have gone up and so have our costs. In August we have planned another two evangelistic campaigns one after the other and then the same again in October and once more at the end of November / beginning of December. We pray that the Lord of the Harvest will open up new sources of finance so that we can keep up the pace and do even more. We are also printing follow-up books and the costs for that have risen considerably.

Thank you very much for having constantly helped us and for continuing to do so. If you listen to the media, there is only bad news. Good news is found in the Bible. Take a look at Psalm 112! There it says that we need not fear bad news because our hearts are steadfast, trusting in the Lord. Job 5:22: "You will laugh at destruction and famine, and need not fear the wild animals." Whatever may come, our life is hidden with Christ in God. That is the safest place to be!

Warmest regards and be blessed with the best God has!

FIVE STEPS TO ANSWERED PRAYER!

Jennings Dake

1.) **Decide what you want from God** and get the scriptures that definitely promise you these things. Get these promises firmly fixed in the heart and not only in the mind. Be ready to use them against demons who will try to make you doubt God and rob you of what you want..

2.) **Ask God for the things you want and believe that you have got them.** Believe God, not Satan; the truth, not a lie. Let every single thought and desire affirm that you have got what you asked. Never permit a mental picture of a failure to be in your mind. Never doubt for one minute that you have the answer. If doubt persists, rebuke them and get your mind on the answer and constantly affirm that the promises are true and that prayer has been answered. Eradicate every suggestion, image, vision, dream, impression, feeling; in fact, extirpate all thoughts that do not contribute to your faith that you have what you have asked.

3.) **Guard against every evil thought that comes into the mind.** Thoughts are governed by observations, associations, and teachings. Stay away from all places and things that will not support your affirmation that God has answered prayer. Meditate constantly on the promises upon which you base the answer to your prayer. See yourself with what you have asked for and make plans accordingly as if it were already a reality. Do not forget what you have asked of God and hold on until the full answer is materialized.

4.) **Praise constantly and look heavenward.** In your waking moments think on the greatness of God and His goodness. Count your blessings and faith will increase. Breathe deeply the life of God in your inner spirit. Lift your heart to God constantly in gratitude and increasing praise for what He has done and for what he is doing for you now. Maintain that all things are possible to the believer.

5.) **Make every prayer relative to what you have asked a statement of faith** instead of unbelief. You can say "I do have faith" or "I do believe that I have what I have prayed for" just as easily as you can make statements of unbelief. You can think thoughts of faith as easily as you can think thoughts of doubt and unbelief. Do not accept no as an answer. Do not be denied. It is your family right, your redemptive right, your gospel right, and your creative right to have what God has promised. It will come. It is yours now, so accept it and it will become a reality.
