EVANGELISM

Dear friends!

From November 15-19 we had a glorious gospel campaign in Ikare-Akoko, Nigeria. Bishop Waleoke, the president of the Pentecostal Fellowship of Nigeria (PFN) and his team organized the crusade. After our arrival we went to see the local king and paid him a visit. We were told that Reinhard Bonnke was in the very room in 2003, meeting the king at that time. Our campaign was the first after many years. The Anglican bishop said that 4 months ago this crusade would not have been possible because of fighting and kidnappings going on. This crusade is a miracle and a blessing for the town and the entire region, he said. Every night thousands responded to the altar-call and surrendered their lives to Jesus. All-together more than 10.000 people responded to the altar-calls. On Monday after the crusade the first follow-up meeting started and 1472 new converts showed up.

Every night people testified to being healed by the power of God. We heard some amazing healing testimonies. A lady who had been suffering 5 years from poisoning was healed. She heard the preaching from her house and claimed the healing prayer for herself. She was totally healed and set free and came to testify the next night. A young man who had not walked the last 3 years begun to walk and jump on stage. A woman who fell while carrying a heavy load hadn't been able to walk for 9 years. She begun to walk again. A young boy who suffered from asthma and was shortsighted from his early childhood received his healing. A woman having epileptic seizures for 15 years was healed and delivered. A pastor came and said that he feels what he felt in the Bonnke-meeting, in 2003.

We are just getting started in Nigeria. Next year we plan 4 crusades for Nigeria.

In 10 days, I will be going to Ethiopia for another 2 crusades. Thus, we did 16 crusade meetings in 2023. End of October I was invited to preach a crusade in Sri Lanka. We had wonderful meetings and many Hindus accepted Christ. In the last meeting over 1000 people responded to the altar-call and surrendered their lives to Jesus, many Hindus among them.

We have received \$ 70.000 for our new soundsystem for Ethiopia. We need another \$ 50.000 in order to buy and ship it to Ethiopia. Our present soundsystem has become too old and too weak and we need to upgrade the whole system. Please agree with us that we will be able to order it still this year!

Thank you very, very much for every donation you have given and every prayer you prayed. Prayer is the most powerful weapon we have been given and makes everything else possible. Please agree with us that we remain healthy and are kept by the power of God and go forward in His strength. I wish you God's abundant grace, that you may prosper in all things and be in good health always!

In His love!

THE SERPENT AND THE LAMB!

*“Just as Moses lifted up the serpent in the wilderness, even so must the Son of Man be lifted up, that whoever believes in Him should not perish, but may have eternal life.”
John 3:14-15*

The snake is a symbol of sin, the curse and evil. Why is Jesus comparing himself to the snake on the pole? He is the lamb of God not a cunning snake. We all were bitten by the snake of sin and got infected by the sin-virus, because we all come from Adam. We all carry death on the inside of us. First spiritual death and secondly physical death. We are all on death row. On the cross Jesus was infected with our sin-virus. He had to drink the bitter cup. It contained every sin, every sickness and every curse known to mankind. Jesus was made sin, was made sickness and became the curse. He became everything we were so we could become everything He is. He became the serpent on the pole. Jesus died our death. He was separated from the Father for us. He went to hell for us – until sin was paid and righteousness restored. Why couldn't sin and death keep Jesus in hell? No man who entered hell ever came out of hell. Jesus was the first and only man who went into hell and came out of it. How did it happen? It happened because of his sinless blood. His blood conquered every sin, every curse and every sickness. **“Now may the God of peace, who through the blood of the everlasting covenant brought again from the dead our Lord Jesus...”**
Hebrew 13:20

A shepherd shared this story:

“A rattlesnake bit one of my sheep in the face about a week ago. Deadliest snake that lives around here. The sheep's face swelled up and hurt her terribly. But the old rattlesnake didn't know the kind of blood that flows through the sheep. Anti-venom is most often made from sheep's blood. The sheep swelled for about 2 days but the blood of the lamb destroyed the venom of the serpent. I was worried but the sheep didn't care. She kept on eating, kept on drinking and kept on climbing because she knew she was alright.

Often the serpents of this life will reach out and bite us. They inject their poison into us but they cannot overcome the Blood of the Lamb of God that washes away the sin of the world and the sting of death.

Don't worry about the serpent or his bite, just make sure that the Lamb's Blood is flowing through your veins.”

During the Covid-19 pandemic I flew into Nigeria and was asked by an immigration officer if I am vaccinated (which I was not)? I told the officer: “Yes I am vaccinated! I am vaccinated with the blood of Jesus!” He smiled at me and said: “You may pass!” He must have been a Christian! If you want to enter heaven you need a vaccination pass. You must be vaccinated with the blood of Jesus otherwise you may not enter heaven. As the blood of the sheep overcame the poison of the rattlesnake likewise the blood of Jesus overcame every sin, every sickness and every curse – apparently that took 3 days and 3 nights.

Through His blood Jesus forgave all our sins, healed all our sicknesses and declared every curse null and void. This however does not happen automatically. I have to apply the blood of Jesus by faith. No one gets into heaven automatically. Jesus said that we must drink His blood and eat His flesh otherwise we have no life in us, John 6:53-56. No matter what may come our way we already have overcome every pandemic, every curse and every sickness, because of our faith in the blood of Jesus. It is our protection, our salvation, our deliverance and our healing!
