Evangelism in Moyale (Ethiopia) & Ile-Ife (Nigeria)

Dear Friends!

In August, we went to **Moyale (Ethiopia)**, a border town with Kenya, for an evangelistic outreach. The distance from Addis Ababa to Moyale is 800 km. It took us two days to get there by car. Moyale is 90% Muslim. On the first day, radical youths disrupted our event, so we weren't able to begin until the second day, after soldiers secured the area. We then had a successful evangelistic event. Over 200 people gave their lives to Jesus. We heard many testimonies of healing, and Pastor Dereje wrote that he is still receiving calls from Moyale and hearing about healings that have taken place.

In September, we flew to **Ile-Ife (Nigeria)** for our next mission trip. Archbishop Waleoke, the president of the Pentecostal Fellowship of Nigeria, celebrated his 70th birthday the day before our event. 2,500 guests were invited and were provided for. The largest churches in the world are located in Nigeria. Everyone of any standing attended the birthday celebration to honor him. He is one of Nigeria's spiritual fathers and is held in high esteem. God had used him to open doors for us in Nigeria. He came to Ile-Ife for two days of evangelism.

We held powerful meetings in Ile-Ife, and every gathering was blessed. The people responded to God's Word. One woman testified that she realized her healing had already been accomplished and that she no longer needed to strive to receive it. Jesus bore her pain on the cross 2,000 years ago and set her free.

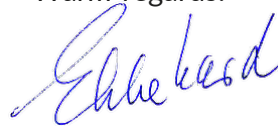

She simply needs to identify with that, see herself as healed by faith, and act as if it had already happened. When she realized this, she was freed from all her pain.

Hundreds of pastors and church leaders came to the pastors' seminar every morning, and we had blessed meetings. On the last day, many received the power of the Holy Spirit.

We have four more evangelistic campaigns planned in Ethiopia by the end of the year—two in October, and one each in November and December. Thank you very much for all your support and help. For the upcoming campaigns, we again need 10,000 follow-up booklets for new believers (€1 each). Thanks to a generous donation, we can have these printed right away.

We are also praying for Germany, that the Lord will give us leaders who govern us with wisdom and understanding. Jesus will give our country and continent one final wake-up call so that millions may come to faith before the Antichrist establishes his reign. Biblical prophecy is being fulfilled before our very eyes, and everything points to our generation witnessing the return of Jesus.

Warm regards!

TESTIMONIES OF HEALINGS

ETHIOPIA & NIGERIA

Title page:
Ekkehard Hornburg with Archbishop Waleoke

Two years ago, this man fell from the second floor and injured his back. Since then, he has suffered from constant back pain and has been able to move only with difficulty. He showed us that he is pain-free and can do everything again.

For 10 years, this woman had pain in her left ear and could no longer hear well out of it. The pain has gone away, and she can hear 100% again.

This woman had suffered a back injury and had been living with pain for 6 years. She was able to bend over again and testified to her healing.

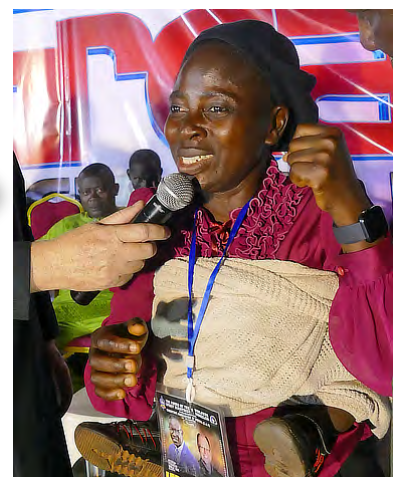

For the past 3 years, he had been unable to move his left leg and needed a walking aid. Now he can move his leg again and walk on his own.

This woman was tormented by evil spirits, and Jesus set her free.

This woman suffered from severe chest pain and had already undergone several surgeries. When she realized that Jesus had borne her illnesses 2,000 years ago, all her pain disappeared.

JESUS

by Ekkehard Hornburg

*Christ died for our sins according to the Scriptures,
and He was buried, and rose again the third day according to the Scriptures.*
1 Corinthians 15:3f

"Jesus had no servants, yet they called him Master. He had no academic titles, yet they called him Teacher. He had no medicines, yet they called him Healer. He had no army, yet kings feared him. He won no military battles, yet he conquered the world. He committed no crime, yet they crucified him. He was buried in a tomb, yet he is alive today. Christ Jesus, an unknown teacher who never married, who was rejected by those he sought to help, and who was executed in humiliation, has changed the world forever." (Author unknown)

Jesus' life was a miracle from his birth to his ascension. The greatest miracle was that he conquered death and reunited us with God. The path to God is now open to all people. When Jesus died on the cross, there were many onlookers. The devil was there too, wanting to make sure that Jesus was truly dead. He inspired a soldier to thrust his spear into Jesus' heart to ensure that Jesus was indeed dead. The devil was satisfied. This Jesus would never cause him any more trouble. All of hell rejoiced and was having a party.

The party came to an abrupt end when Jesus rose from the dead and tore down the gates of hell. He went straight to Satan's throne, and said, "Give me the keys!" Satan, who had authority over death and became the ruler of this world when Adam sinned, lost his power over humanity and had to submit to Jesus' authority.

Since then, all prisoners have been set free and all prison doors have been opened. All authority in heaven, on earth, and under the earth has belonged to Jesus ever since, and Jesus has given this power and authority to His church. We have been raised with Christ and seated with Him on the throne of God to rule and reign in this life.

The devil does not fear Buddha, Krishna, Allah, or any other religion, but he fears the Name of Jesus. That is why the Name of Jesus is persecuted throughout the world like no other name. But the second greatest miracle is that Jesus now dwells within us, with all His power and

authority. He told His disciples that He would return to the Father and then come back in the person of the Holy Spirit to dwell in His disciples forever, so that He might then do His works through them.

Today we are the body of Christ on earth, and Jesus dwells within us with all His power, performing His miracles through us. We are the ones who make Jesus visible and prove to the world that Jesus is risen and alive. We are the proof that the Gospel is the truth. I heard the testimony of an Indian woman who lives in England. She was a Hindu and confined to a wheelchair. One day she saw a preacher on television who was preaching JESUS. She said that suddenly Jesus came out of the television and stood before her, stretched out His hands, and said, "I have come to heal you; give me your hands." When she took hold of Jesus' hands, Jesus simply entered into her. She was born again and healed, and later attended a service in London to tell the man of God how Jesus had used his sermon to heal her.

Greater is the One who is in us than the one [Satan] who is in the world. 1 John 4:4

On Pentecost, Satan realized that from then on he was dealing with 120 Christians (anointed ones) who were just like Jesus. ... *for as He is, so are we in this world.*
1 John 4:17

Paul prayed for the Ephesians, asking God to give them the Spirit of wisdom and revelation so that they might understand the immeasurable greatness of His power toward us who believe, and that this power is available to everyone who believes. "I have no silver or gold," Peter said to the lame man, "but what I do have I give you: namely, JESUS!" A sick person needs only a little more of Jesus to be healed. The whole world needs JESUS, and you and I are called to make JESUS known. If you don't know Jesus yet, then pray this prayer:

"Lord Jesus, I believe that you died for my sins and that you rose from the dead. I accept you as my Lord and want to follow you and belong to you."
